Work With Us!

Job Description: Freelance/Full-time Engagement Associate

Location(s): Kerala, Karnataka, Maharashtra, Tamil Nadu

About Us:

Walnut Knowledge Solutions Pvt. Ltd. is an educational company that aims to bring about curiosity and awareness among children and adults through the use of questions and storytelling. We are trying to solve primary issues of education such as motivation, general awareness and providing context through our various interventions.

We are currently running our flagship QuizShala program for children across schools. Apart from this, we conduct quizzes for colleges and a range of corporates.

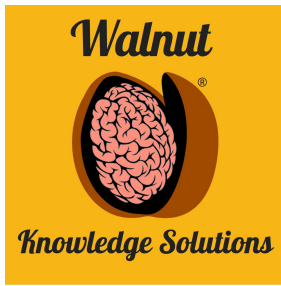

About The Role:

QuizShala is a program where we use questions, stories, and curiosity-centered activities to help children broaden their horizons about what's happening in the world, and in the syllabus as well. It also focuses on enhancing one's personality by placing emphasis on how to read, write, listen and speak better.

Our QuizShala Outreach program, conducted in Government Schools, follows the QuizShala philosophy of curiosity and independent thinking, but is tweaked to accommodate the participating children. The content is chosen to provide the children with increased exposure to the world around them, along with extra content that builds upon their existing curriculum and their perspective of the world.

We are actively looking to expand our offline experience to more schools. We are looking for people who are passionate about sparking curiosity and inspiring young learners.

- 1) Teach/engage children of different grades from either private or government schools as part of our QuizShala program;

- 2) Create interesting/engaging content for school children, corporates and college students.

In addition to the core functions listed above, the new hire would also be expected to work with us on peripheral activities such as marketing, business development and operations.

Responsibilities:

- 1) Facilitators will be required to deliver classroom workshops on site, spark interest, discuss, advise, teach, guide and support learners.
- 2) Responsible for end to end coordination and logistics at the assigned school for all the classroom workshops.
- 3) Fulfill all Walnut feedback, assessment, and reporting requirements.
- 4) Liaising with the parent on the progress of the learners.
- 5) Facilitators will be trained by Walnut in delivering the content. Facilitators have to compulsorily be a part of all training programs.
- 6) Facilitators will have to create content as per guidelines for the QuizShala program and for other projects.

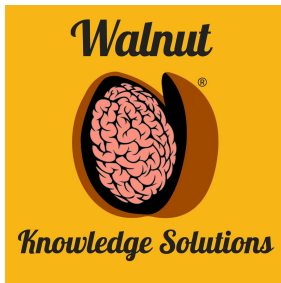

Qualifications Required:

- 1) Any undergraduate degree is sufficient (but if find yourself under-qualified, or have dropped out of college for whatever reason but are passionate to solve fundamental issues facing education system, teach children, you are welcome as well);
- 2) The applicant should be comfortable with working with up to forty children at a time;
- 3) Teaching experience is not mandatory but is welcome;

Above all, the applicant should be passionate about the program and should ideally share our vision for the organization.

Compensation:

The compensation for part-time facilitators will vary depending upon the kind of school (private or government) and the geography. Compensation for the full-time role will be as per the candidate's qualification and experience.

How to Apply:

If you think that you are suited to work with us at Walnut, then write into us at work@walnuts.co.in with:

1. Your qualifications/ updated CV;
2. A short statement of intent;
3. Your contact information.

You can also direct any other queries that you have to the e-mail address listed above.

(More) About Us:

Apart from QuizShala, Walnut Knowledge Solutions has conceptualised and conducted knowledge properties for clients such as the Prajavani Quiz Championship (engaging 12,000 students across Karnataka), Ascendas BizQuiz (engaging employees of over 300 companies across the Ascendas technology parks) and ConQuest (engaging over 1,000 college students across India).

We have also been knowledge partners and conducted quizzes across the IITs, IIMs, BITS, and Symbiosis Law School, among others. While covering general topics like business, culture, and technology, we have also conducted niche quizzes on topics like big data, food, and diversity. We have hosted more than 100 shows so far.

Fun Fact:

Walnut is the first and only organization to conduct a quiz in the Antarctic peninsula and has a Limca Record for the same!
